Endless Waves of Halloween Fun

At SeaWorld's Halloween Spooktacular® you'll enjoy fun-loving fish, spooky shows, ghoulish goodies and more! Kids, come in costume or come trick-or-treat as you are!

Open every weekend in October.

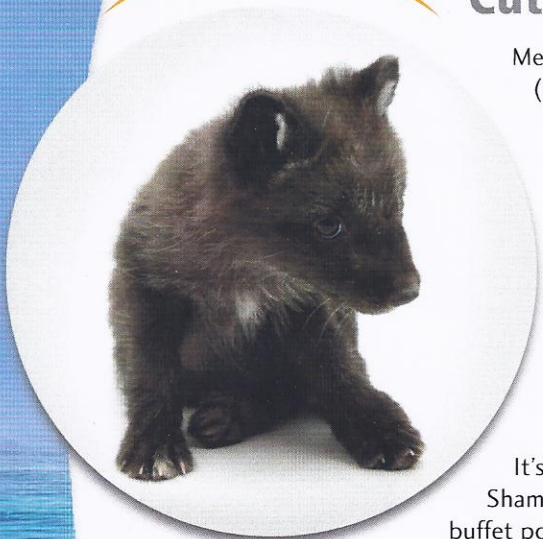

SnowWorld comes to SeaWorld

In our wintery, watery wonderland, you can play in the snow at the all-new SnowWorld, enjoy stunning live shows inspired by the natural world, share a smile with a sea lion and get immersed in the wonders of *The Polar Express* 4-D Experience. And don't miss the pet-stravaganza *Christmas Tails* show. SeaWorld's Christmas Celebration is where holiday memories are made.

Weekends Nov.19-Dec.11 and daily Dec.17-Jan.1.

Cute Overload

Meet Sitka, one of the newest members of our animal family. She's one of three Arctic fox kits (all from the same litter) who will be seen at different times during the day at Wild Arctic and during various in-park appearances later this fall.

Sitka was named by our Facebook fans in a recent contest. The other choices were Galena and Svetlana. Sitka won by a landslide garnering nearly 72 percent of the online votes.

At several weeks old, Sitka and her brother and sister are bundles of energy and we can't wait to show them off to guests in the park later this year.

Arctic foxes are found in the Arctic regions of Eurasia, North America, Greenland and Iceland. At full size they can be 43 inches and weigh 6 to 10 pounds.

Dine With Shamu

It's intimate, exclusive and unforgettable. Dine With Shamu® is an exclusive opportunity to enjoy a delicious buffet poolside and behind-the-scenes for an up-close VIP encounter with Shamu® and trainers. Our menu includes selections prepared by SeaWorld's award winning culinary chefs. You'll meet killer whale trainers and see Shamu from a completely different vantage point – under covered seating in a special backstage environment.

Space is limited and reservations are required. Reserve online at SeaWorldSanDiego.com or call (800) 25-SHAMU.
